Classes Offered in the Fall Semester:

Elementary Turkish 1 (Turkish 101); Every Thursday at 6:00PM / Teacher: Bora Bali

About the Classes:

Turkic languages have a literary history which dates back more than 2,000 years. These languages are spoken by some 180 million people as a native language and the total number of Turkic language speakers is over 200 million including speakers as a second language.

The Turkish language spoken today in Republic of Turkey, which was modernized during the Turkish revolutionary independence movement of the first half of the twentieth century, is the language being taught in ATA-NC's Turkish classes.

The idea of learning Turkish is new to many Americans. With the increasing global importance of Turkey in the last couple of decades and as a result of rapidly growing number of Americans visiting Turkey, more and more Americans are interested in learning Turkish.

The following classes offered at ATA-NC attempt to help individuals who want to speak the Turkish language and learn more about the Turkish culture. Please note that **not** all classes are offered in the same semester. The classes are opened based on student demand and availability of our teachers.

Turkish 101/102: Elementary Turkish 1 & 2
Turkish 103/104: Beginner Turkish 1 & 2
Turkish 110/111: Intermediate Turkish 1 & 2
Turkish 112/113: Intermediate High Turkish 1 & 2
